

GAME TRAIL IS A FIREWISE USA® COMMUNITY

What is Firewise USA®?

Firewise USA® is a national recognition program. It is awarded to communities that have met specific criteria as it works to reduce wildfire risks. Firewise USA® supports continued work through free educational programs and resources.

What does being a Firewise USA® Community mean for Game Trail?

The benefits began with our application, and are on-going. Applying required us to have a community-wide risk assessment done by the Colorado State Forest Service. That assessment, beyond its educational aspect, informed the development of our Firewise USA® action plan. Game Trail will also be in a stronger position for future wildfire mitigation grant applications as Firewise USA® sites are often given preference.

BONUS: USAA members with a home in a Firewise USA® community qualify for a homeowner's insurance discount! If you are a USAA member, see this link for more information.
